M TERMS AND CONDITIONS

PRISER

I och med denna prislista förlorar tidigare prislistor sin giltighet. Alla priser är angivna i SEK, exklusive moms. Vi förbehåller oss rätten till ändringar av listpriser utan föregående meddelande på grund av pris och valutaförändringar utom vår kontroll.

BETALNINGSVILLKOR

Betalningsvillkor är normalt 30 dagar från fakturadatum, netto. Massproductions AB förbehåller sig rätten att justera villkoren efter sedvanlig kreditprövning. Från förfallodagen debiteras dröjsmålsränta enligt räntelagen, med referensränta +8%. Levererade varor kvarstår i Massproductions AB:s ägo till dess att full betalning mottagits. Betalning skall göras till följande konto: Pg 88 90 75-8 eller Bg 5368- 6564. Bankadress: Nordea Bank, Smålandsgatan 17, 105 71 Stockholm.

LEVERANSVILLKOR

Fritt levererat till angivna adresser inom Sverige (endast fastlandet) på order som överstiger 12.000 SEK. För order under 12.000 SEK tillkommer en fraktkostnad om 1.800 SEK. Vid tidsbestämd lossning tillkommer en avgift om 6.540 SEK. Observera att alla standardleveranser kräver en lastkaj. För order till projektspecifik adress eller adresser utan lastkaj tillkommer en avgift om 3.250 SEK för omlastning och hantering. Alla leveransadresser kräver kontaktuppgifter inklusive telefonnummer till platsansvarig. Vi accepterar inga leveranser till privata adresser. Om behovet av att senarelägga en färdigproducerad order skulle uppkomma kan Massproductions lagervaror mot en avgift på 2% av ordervärdet/påbörjad vecka. Order med insända tyger (COM) eller färgprover planeras först efter mottagandet. Eventuellt test av COM kan krävas innan produktion, på kunds bekostnad. Vid insänt tyg förbehåller sig Massproductions rätten att välja mönsterriktning och val av rätsida om skriftlig instruktion saknas. Alla insända tyger måste skickas med leveransvillkor DDP. Om detta inte följs förbehåller sig Massproductions att debitera för kommande tullkostnader och administrationsavgifter. Insända tyger måste märkas upp och skickas enligt instruktioner från Massproductions.

ÄNDRING AV ORDER

Kontrollera alltid att ordern överensstämmer med er beställning. Eventuella korrigeringar bör anmälas omgående. Ändringar av bekräftad order måste göras inom 5 dagar från att orderbekräftelsen mottagits. Annullering eller ändring av godkänd order kräver medgivande av Massproductions AB, och kan innebära att extra kostnader debiteras kunden. Vi förbehåller oss rätten till produkt- och konstruktionsändringar utan att underrätta kunden.

PRODUKTGARANTIER

Massproductions AB garanterar den ursprungliga köparen, under en period av 5 år från originalfakturans datum, att standardprodukter är fria från fabriktionsfel och felaktigt material.

För möbler avsedda att användas utomhus lämnas 2 års garanti. För specialanpassade produktvarianter lämnas 1 års garanti. Garantierna gäller endast om produkterna använts på avsett sätt. Massproductions tar inget ansvar för direkta eller indirekta skador på produkt, egendom eller person som uppstått som ett resultat av undermåligt, eller felaktigt, underhåll eller felaktig montering av produkten gjord av kunden. Massproductions AB ska efter skriftlig reklamation, efter eget beslut, antingen reparera eller ersätta felaktiga produkter eller delar. Garantierna täcker endast material och ej övriga kostnader relaterade till utbyte, eller reparation, av reklamerade produkter.

Garantierna omfattar inte vad som kan anses vara normalt slitage, effekter av extrema temperaturer, eller skador eller defekter orsakade av onormala klimatförhållanden. Vidare omfattar inte garantierna insänt tyg, insänt läder, kundens egna material, eller tredje parts material. Möbler avsedda att användas utomhus får icke utsättas för temperaturer under 0°C. Naturliga variationer i läder, trä eller sten anses inte vara defekter. Naturliga luftbubblor kan uppstå i produkter av handblåst glas, detta anses inte vara defekt och kan ej reklameras. Pigmentlackerade produkter tillverkade i massivt trä som tex Albert, BIT, Draft etc kan då de utsätts för varierande luftfuktighet röra sig och skapa en randig effekt. Detta accepteras inte som en giltig reklamation. Varmförzinkade produkter kan visa kosmetiska variationer i ytan. Dessa variationer kommer över tid att jämnas ut och ytan blir mattare. Detta är en naturlig del av processen och accepteras inte som en reklamation.

PRODUKTSKADOR

Mottagningskontroll verkställs hos godsmottagaren genom dennes försorg. För skador som uppkommit gäller följande villkor:

A. Synliga skador på gods och/eller emballage ska dokumenteras vid godsmottagning genom notering på fraktsedel och kontrasignatur av chaufför. Godsskador ska omgående anmälas skriftligen till Massproductions. Uppenbara transportskador måste följa denna rutin för att ersättning ska kunna utgå. B. Dolda skador som inte kan förutsättas ha varit uppenbara vid godsmottagning, eller skador som rimligen inte kunnat noteras p.g.a. stora godsvolymer, skall snarast möjligt anmälas skriftligen till Massproductions, dock senast inom 6 dagar. Alla skador enligt A och B skall fotodokumenteras för att underlätta bedömningen av ersättningskrav. Fotona skall tydligt visa skadorna på produkten, samtliga sidor på produktens originalkartong/emballage, samt eventuellt förpackningsmaterial som har använts inuti kartongen. Om ett ärende saknar någon av dessa bilder kan det vara grund för nekad reklamation.

Om en vara har transporterats vidare från kundens egna lager eller butik till en slutkonsument, och skadan uppmärksamats först hos slutkunden, skall reklamationen i första hand ställas mot det egna transportbolaget, eller hanteras som en intern reklamation av Massproductions kund.

Stockholm, December 2023

SENAB

Färgmarkeringar och/eller symboler för hållbara alternativ i prislistan:

Mörkgrön markering eller symbol

Miljömärkt produkt – Möbler där hela den sammansatta varan har en typ 1 miljömärkning enligt ISO 14024 med Svanen, Möbelfakta, EU Ecolabel eller annan likvärdig märkning.

Ljusgrön markering eller symbol

Hållbarhetsmärkt produkt eller beståndsdel – Möbler där hela eller delar av den sammansatta varan är hållbarhetsmärkt, exempelvis med FSC, EU Ecolabel eller OEKO-TEX®. Leverantören ska kunna ge mer detaljerad information om vilka delar eller variationer som är hållbarhetsmärka vid begäran.

Orange markering eller symbol

Klimatberäknad produkt – Produkt med dokumenterad miljövarudeklaration (EPD) enligt ISO 14025.

Lila markering eller symbol

Produkt med återvunnet eller förnybart material (enligt definitionerna i ISO 14021). Leverantören ska kunna ge information om andel (%) återvunnet och/eller förnybart (biobaserat) vid begäran. Märkning av återvinningsbart material utgår.

Blå markering eller symbol

Demonterbar produkt – Produkt som är demonterbar till olika komponenter och beståndsdelar som i första hand möjliggör återbruk och i andra hand materialåtervinning när produkten nått sin fulla livslängd. Produkten ska vara designad för renovering, det vill säga att det ska vara enkelt att reparera och byta ut moduler, komponenter och beståndsdelar som slits över tid. Exempelvis ska ytskikt, som bordsskivor, textil och stoppning kunna tas isär, avlägsnas och ersättas med hjälp av vanligt förekommande manuella verktyg, ej specialverktyg. Enklare reparationer och utbytesarbeten ska kunna utföras av en lekman. Om det krävs fackmanakunskap för mer avancerade arbeten ska det framgå av anvisningarna som leverantören ska kunna ge vid begäran. Anvisningarna ska innehålla en sprängskiss, steg för steg beskrivning inklusive vilka verktyg som krävs samt hur möbelns ingående delar bör källsorteras.
